## WORK HISTORY

JUL 2019 - CURRENT

### **Full-time Creative Video Producer**

Boston College Office Of University Communications |  
Chestnut Hill, MA

- Produce a wide range of video production content for various university clients as a lead stakeholder under strict deadlines year-round while working solo or in a collaborative creative team.
- Own all aspects of video production work, including script writing, storyboarding, post-production editing. Lead A&B camera videography filming duties for B-roll, or interviews. Produce motion graphic design, and execute client deliverable material coordination efficiently.

SEP 2022 - CURRENT

### **Owner**

AlexOrav.com | Newton, MA

- Produce high-end videography and editing work solo or with a hired crew, from start to finish for a wide range of clientele throughout the New England area featuring companies such as Atlantis Charter School, Boston University, New View Media, Vermont Symphony Orchestra, and A&A Window Products. Hire interns, production assistants, or videographers while providing pay, career development opportunities, transportation, and industry-standard equipment.
- Earn over one million video views and four million plus impressions organically on YouTube and TikTok as a
